

WELCOME BACK TO THE OLD HAT

COVID-19

Our New Measures for a Great Pub Experience

We are back doing what we love, and it feels so good. After missing you all for such a long time during lockdown, it means the world to us that we get to fully open our doors to you once again.

Our teams have been working their socks off to provide a safe and comfortable environment for you all to enjoy. Our top priority has, and will always be the safety of our guests and our teams.

You may notice that things have changed slightly around your favourite local, as we have made some necessary changes to help everybody who visits and works in the pub feel safe.

Although some things may be a little different, you can still expect to find the same warm and welcoming pub atmosphere that you are used to and have missed. You see, there are some things that will never change, and our passion for providing a great pub experience is one.

Here in The Old Hat you will find a pleasant environment where you can enjoy all of the aspects of the pub that you love responsibly, whether that be a cold pint, a hearty home-cooked meal, live sport or gin and tonic in our awesome beer garden.

Some of the measures we have put in place include disposable menus, and we have moved all of our furniture to adhere to social distancing guidelines. We have some other [Guidelines](#) in place that you can read here.

Before you plan a visit, there are probably some things you want to know, so below is some relevant information that you may find helpful.

Do I Need to Book?

We are not taking any bookings at the moment. All of our tables, both inside the pub and in the garden are on a walk-in only basis. We are working hard to accommodate everybody who visits us, however, should the pub be at capacity you may be asked to wait.

What are your opening hours?

Our opening hours have changed slightly (Temporarily)
We are now open from 12pm until 10:30pm every day

Have your Menus Changed?

Our head chef has been working extremely hard to bring you a brand-new menu that includes some of your favourite Old Hat classics along with some new seasonal dishes.

We promise that you won't be disappointed. You can view our menus [here](#).

As always, Sundays are covered in delicious roasts and we have a selection of specials available every day.

Can I still get a Takeaway/ Delivery?

For anybody who would still like to enjoy the Old Hat at home, all of our food menus are available for takeaway and delivery on **Uber Eats, Deliveroo & Just Eat.**

Are you showing Sport?

Absolutely. All of the big sporting action will be back on our Big Screens, including our outdoor screen in the garden. Make sure to join us for the **FA Cup Final**

DOWNLOAD OUR APP

In order to improve our service and make the Old Hat an even safer place to visit, we have introduced a brand-new **Order to the Table App**.

Our app can be downloaded from the Google Play and Apple App Store. Simply search for "**True Pub Co App**". Once you have registered you can order food and drink safely and directly to where you are sitting.

You can pay securely through the app and we will bring everything to you. It's that simple.

Thank you to everybody who supported us during lockdown, those of you who took part in our quiz, donated to our chosen charity, enjoyed parts of the Old Hat at home or sent us a kind message.

Every like, comment and follow on social media meant the world and kept us feeling connected to the community we missed.

Your support will always be remembered, and we are very grateful to be at the heart of such a wonderful community of people.

Thank you to everybody who has visited us already. We hope you enjoyed being back. We sure loved seeing you all.

We hope to see you all soon.
